OFFICE OF PETITIONS

In re Application of Itzhak Bentwich Application No. 10/535,164 Filed: July 24, 2006 Attorney Docket Number: 050992.0200.13USPC

: DECISION ON PETITION : UNDER 37 CFR 1.78(a)(3)

This is a decision on the petition under 37 CFR 1.78(a)(3) filed June 10, 2009, to accept an unintentionally delayed claim under 35 U.S.C. §120 for the benefit of prior-filed non-provisional applications 10/605,923 and 10/605,924.

The petition is **DISMISSED**.

A petition for acceptance of a claim for late priority under 37 CFR 1.78(a)(3) is only applicable to those applications filed on or after November 29, 2000. Further, the petition is appropriate only after the expiration of the period specified in 37 CFR 1.78(a)(2)(ii). In addition, the petition under 37 CFR 1.78(a)(3) must be accompanied by:

- (1) the reference required by 35 U.S.C. § 120 and 37 CFR 1.78(a)(2)(i) of the prior-filed application, unless previously submitted;
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(ii) and the date the claim was filed was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional.

Where an application claims a benefit under 35 U.S.C. 120 of a chain of applications, the application must make a reference to the first (earliest) application and every intermediate application. See Sampson v. Ampex Corp., 463 F.2d 1042, 1044-45, 174 USPQ 417, 418-19 (2d Cir. 1972); Sticker Indus. Supply Corp. v. Blaw-Knox Co., 405 F.2d 90, 93, 160 USPQ 177, 179 (7th Cir. 1968); Hovlid v. Asari, 305 F.2d 747, 751, 134 USPQ 162, 165 (9th Cir. 1962). See also MPEP 201.11. In addition, every intermediate application must also make a reference to the first (earliest) application and every application after the first application and before such intermediate application. MPEP 201.06(d).

Upon reviewing the records of the USPTO, it appears that the chain of applications to which petitioners wish to claim the benefit of priority includes applications 10/649,653 and 10/651,227 neither of which has ever been accorded a filing date and both of which were abandoned during pre-examination.

Application No. 10/649,653 is claimed as a continuation of 10/605,923 and Application No. 10/651,227 is claimed as a continuation of 10/605,924.

Before the petition under 37 CFR 1.78(a)(3) can be granted in the present application, petitioner must file a renewed petition under 37 CFR 1.78(a)(3) accompanied by either a Supplemental Application Data Sheet (signed in compliance with 37 CFR 1.33(b) and in compliance with 37 CFR 1.76) or a substitute amendment (complying with the provisions of 37 CFR 1.121) removing application nos. 10/649,653 and 10/651,227 from the chain.

Also, 37 CFR § 1.78(a)(3) requires a statement that the entire delay between the date the claim was due under 37 CFR § 1.78(a)(2)(ii) and the date the claim was filed was unintentional. Since the statement appearing in the petition varies from the required language, the statement is being construed as the statement required by 37 CFR §1.78(a)(3). If this is not a correct reading of the statement appearing in the petition, petitioner should promptly notify the Office.
